Jeesns Group Store XSS #14

Open code996 opened this issue on May 14, 2019 · 0 comments

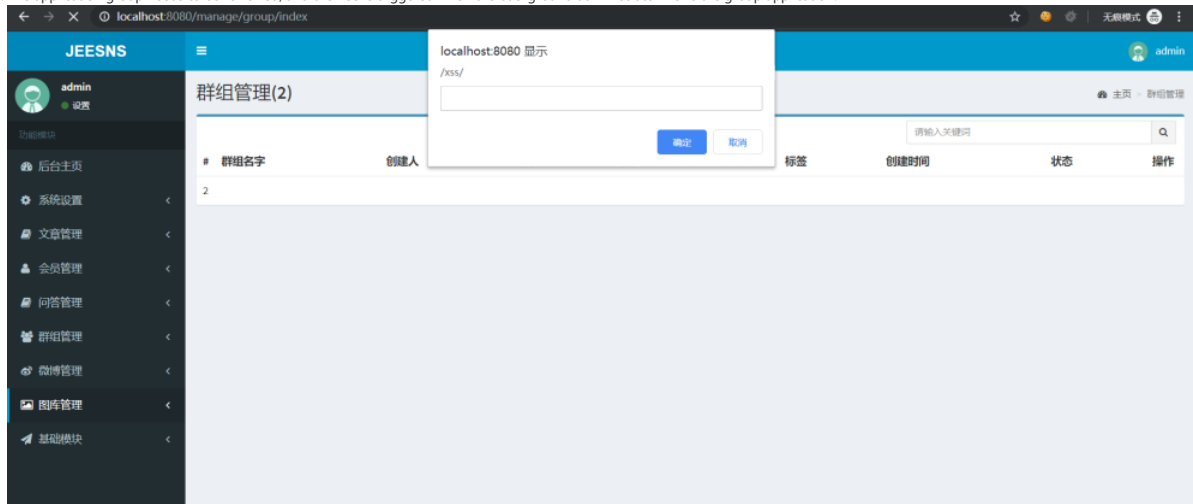

code996 commented on May 14, 2019

Vulnerability recurrence

1. Register a user
2. Apply for the group and fill in the name XS payload <Script>prompt(/xss/)</Script>

3. The application group needs to be reviewed, and the XSS is triggered when the background administrator views the group application.
