

The screenshot displays the 'Add Product' page in the Muzuro Ecommerce Admin interface. The browser's address bar shows the URL `localhost:8080/Full-Ecommerce-Website/Codes/public/admin/index.php?add_product`. The left sidebar contains a navigation menu with the following items: Dashboard, Orders, View Products, Add Product (highlighted), Categories, Users, and Slides. The main content area is titled 'Add Product' and features a form with the following fields and controls:

- Product Title**: A text input field.
- Product Description**: A large text area for the product description.
- Product Price**: A text input field.
- Product Short Description**: A text input field.
- Product Category**: A dropdown menu with the placeholder text 'Select Category'.
- Product Quantity**: A text input field.
- Product Image**: A section containing a 'Choose File' button and the text 'No file chosen'.
- Buttons**: Two buttons, 'Draft' (orange) and 'Publish' (blue), are located at the top right of the form.
