

## Session does not expire on password reset in ikus060/rdiffweb

**Valid**

Reported on Sep 29th 2022

### Description

On changing password both session using which user changes password and old sessions in any other browser or device does not expire and remains active

### Proof of Concept

- 1.Go to `https://rdiffweb-dev.ikus-soft.com/login/` and login into same account
- 2.From Browser B change password associated with your account
- 3.Notice that Session on Browser A will remain active and does not expire.

# Impact

All active sessions must expire on password change to revoke access from attacker
