Details

Summary *

GitLab repository branch prefix can be updated by any user

Original Submission

Authorizations are not properly verified when updating the branch prefix used by the GitLab repository integration.

Impact

Authenticated users can change the branch prefix of any of the GitLab repository integration they can see via the REST endpoint `PATCH /gitlab_repositories/{id}`. This action should be restricted to Git administrators.

CVSSv3.1 score: 4.3 (CVSS:3.1/AV:N/AC:L/PR:L/UI:N/S:U/C:L/I:N/A:N)
